STATEMENT OF FINANCIAL CONDITION
AND INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

Member of
Silvercrest Distributors LLC

We have audited the accompanying statement of financial condition of Silvercrest Distributors LLC as of December 31, 2007 that you are filing pursuant to rule 17a-5 under the Securities and Exchange Act of 1934. This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Silvercrest Distributors LLC as of December 31, 2007, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2007

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

Organization - The Company, a limited liability company, was organized in the state of New York on August 9, 2005 and is wholly-owned by Stonehouse Holdings LLC. The Company is registered as a broker/dealer with the Securities and Exchange Commission and is also a member of the Financial Industry Regulatory Authority (FINRA), formerly known as the National Association of Securities Dealers, Inc. (NASD). The Company's principal business activity is the sale of securities. Operations began in July, 2006.

Securities Transactions - Commission revenue and related expense arising from securities transactions are recorded on a trade date basis, which is the same business day as the transaction date.

Concentration of Risk - The Company's cash is on deposit at one financial institution and the balance at times may exceed the federally insured limit. Due to the strong credit rating of this financial institution, the Company believes it is not exposed to any significant credit risk to cash.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash Equivalents - Cash equivalents are defined as certificates of deposit and U.S. government obligations with an original maturity date, when acquired by the Company, of less than 90 days, and those securities registered under the Investment Company Act of 1940 which are comprised of cash and other short-term debt instruments and are commonly referred to as "money market funds."

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2007

NOTE 2 - RELATED PARTIES

Income taxes are therefore the responsibility of the individual members of the Silvercrest Asset Management Group LLC (the sole member through March 31, 2007) and Stonehouse Holdings LLC (the sole member from April 1, 2007 through December 31, 2007).

NOTE 4 - NET CAPITAL REQUIREMENTS

As a registered broker/dealer and member of the Financial Industry Regulatory Authority, the Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregated indebtedness to net capital, both as defined, shall not exceed 1500%. At December 31, 2007 the Company's net capital and required net capital were \$78,677 and \$5,000 respectively. The ratio of aggregate indebtedness to net capital was 4%.
